1. Minutes of the 91st meeting were read.
2. The question of furnishing copies of JANIS letters to Lt. Taymans was discussed, and it was decided that Lt. Taymans would receive copies of only such letters as pertained to JANIS orders.
3. Col. Bicknell again stressed the importance of security to the Board and Section Heads.
4. In the general meeting following, personnel problems, particularly as relates to the Graphic Section, were discussed, but no action will be taken until it is determined whether or not the Corps of Engineers will furnish additional personnel.
5. Major Douglas was instructed to have an informal meeting with the cartographers who are responsible for the contribution of JANIS material, in order to simplify the work both for the contributors and ourselves.
6. It was agreed that the responsibility of obtaining general work maps was that of Lt. Quam, and such maps are to be placed in the map files in the Editorial Section for use by the editors.
7. The Board adopted the policy that all manuscript, art work, etc., would be destroyed unless specific request was made by the contributor for its return.

Meeting was adjourned.
